Day 2

> *"Moses and Aaron, Nadab and Abihu, and the seventy elders of Israel went up and saw the God of Israel. Under his feet was something like a pavement made of sapphire, clear as the sky itself. But God did not raise his hand against these leaders of the Israelites; they saw God, and they ate and drank." Ex. 24:9-11*

God knows what His children need in order to be successful in the tasks He gives us. As our Designer He is well aware of our capabilities and limitations. The leaders of His people needed courage, hope and trust, and for this they needed to see more than the earth and the people around them. In His kindness God let them see Him. Many people long for mystical visions of heaven, but we should remember that God has fully revealed Himself to us in Christ. Thank God today for specific times when you have found courage and hope through your knowledge of Christ. List specific situations you face now that require courage and hope, and ask God to reveal Christ to you in ways that will allow you to be successful in the life God has given you to lead.
